### **INFORMATIONAL SESSION**

Mr. David Golden and Mr. Hampton Watkins presented an overview of the Citizen Advisory Committee's activities related to the development of the Draft Environmental Impact Review report. They provided background information on the treated wastewater currently discharged to the ocean outfall and the proposed change to discharge the treated wastewater to the infiltration beds at the wastewater treatment plant. A video of their presentations and the follow-on question and answer period is available at [https://www.youtube.com/watch?v=I\\_IXkzIm2b8](https://www.youtube.com/watch?v=I_IXkzIm2b8).

Respectfully Submitted,  
Rose Forbes, Clerk
