COMMUNITY PRESERVATION COMMITTEE

RECOMMENDATION: Approval for \$200,000 (Unanimous). The Advisory and Finance Committee advises Town Meeting to approve Article 16A. Town Meeting approval of this article would authorize funds to be expended from the Community Preservation fund to allow for the acquisition of 10.95 acres of land located off Drew Road to improve the trail connection of Town owned land at the Eel River Preserve at Boot Pond Road. In addition, this acquisition will provide protection for water resources located in the Fuller Farm Road area.
