### ARTICLE 1 – Memo B:

**ARTICLE 1:** To see if the Town will vote to amend the Classification and Compensation Plans and the Personnel By-Law and Collective Bargaining Agreements contained therein, or take any other action relative thereto.

#### BOARD OF SELECTMEN

**RECOMMENDATIONS:** The Advisory & Finance Committee divided the article into four separate components discussing and voting each individually:

#### B: 2/1/17 Memo from D. Brindisi

**RECOMMENDATION: Approval (7-5-0).** The Advisory & Finance Committee recommends Town Meeting approve this component of Article 1. This component adds two new sections to the Personnel Bylaw, one for Stipends and one for Licensure. Non-union positions in the Fire Department and Police Department would be eligible to receive stipends which are now offered to members of the public safety unions. These include supervision of specialty positions, emergency medical technician, medical technology, and fire technical certifications. Total estimated compensation for the proposed changes in FY2018 is \$11,850. Right now if a Fire Battalion Chief who receives all stipends seeks a promotion to Deputy Chief, that promotion may result in a loss of pay. This Personnel Bylaw change would allow stipends to be carried to Fire and Police administration, creating intradepartmental equity. The Licensure section gives the Town Manager the authority and flexibility to waive any licensure/certification or any other requirement found within a job description as he/she deems necessary and appropriate for the continuity of operations.

#### **UPDATE:**

Town Management asked to withdraw the Licensure portion of this memo.

The Licensure section is now stricken from Memo B (as revised on the following pages).

The Advisory & Finance Committee heard this change this morning and voted:

in support  in opposition

of Revised Memo B

If in opposition, original recommendation above stands.

If in support, mention of Licensure would be removed from recommendation above as indicated in the attached revision of the memo.

Advisory and Finance Committee Members

From: Derek S. Brindisi, Assistant Town Manager

Date: REVISED – March 29, 2017

Re: **Special Town Meeting, Article 1**

***ARTICLE 1: To see if the Town will vote to amend the Classification and Compensation Plans and the Personnel By-Law and Collective Bargaining Agreements contained therein, or take any other action relative thereto.***

**BOARD OF SELECTMEN**

The town Manager is proposing to add two new sections to the Personnel By-law.

**1. STIPENDS**

The Town Manager is proposing to add certain financial provisions within the Personnel By-law that recognizes and rewards the non-union positions in both the Fire Department and Police Department for having acquired the same level of credentials and education and for providing the same level of specialty supervision within the each respective Department. Through multiple sets of negotiations and collective bargaining agreements, the various public safety Unions were able to negotiate stipends for supervision of specialty positions, emergency medical technician, medical technology, and fire technical certifications. Bargaining unit members deemed these skill sets as an added service and benefit to the community for which they should be rightfully compensated for. The proposed By-law amendment, like the Collective Bargaining Agreements recognizes that this added service benefit extends beyond the rank and file and into the Police and Fire Department's Administration and too should be compensated for such service. The following stipends shall be recognized within the proposed By-law language below:

1. The Medical/Medical Technology Stipend: In recognition of the training and service provided by the members of the Police and Fire Department in connection with the operation of the semi-automatic defibrillator, Narcan and other medical services and devices the Police Chief & Captains and Fire Chief & Deputy Fire Chief shall receive a stipend of \$250.
2. Emergency Medical Technician (EMT) certification stipend of \$1,200 shall be awarded to the Fire Chief and Deputy Fire Chief on annual basis if achieved.

3. The Fire Chief and Deputy Fire Chief shall receive \$1,000 per certification annually, with a \$3,000 maximum accrual annually as outlined in Article XIX of the Collective Bargaining Agreement of the Firefighter's Union.
4. The Fire Chief and Deputy Fire Chief shall receive \$1,000 per certification annually, with a \$2,000 maximum accrual annually when Fire Inspector I or II and Fire Trainer I or II is achieved as outlined in the Fire MOU dated 10/18/2006.
5. The Police Department specialty stipend identifies the Supervisory positions (Detective, Training, Prosecution, Records, and Accreditation Supervisors) in which the Chief and Captains provide additional oversight, supervision and accountability to. Each non-union position would receive \$100 per month for providing the aforementioned supervision.
6. Total annual compensation for the proposed changes in FY 2018: \$11,850

Proposed Personnel By-Law by amendment:

**SECTION 27**

**STIPENDS**

- (a) **Non-union Police Officers, of any rank or grade, will be entitled to the same medical stipend benefit and specialty stipend benefit as the Superior Officers.**
- (b) **Non-union Fire Department Officers, of any rank or grade, will be entitled to the same benefits as outlined in Articles XIX and XIII of the Firefighters Collective Bargaining Agreement.**
- (c) **Non-union Fire Department Officers, of any rank or grade, will be entitled to the same benefits as outlined in the Fire MOU dated 10/18/2006.**

**2. LICENSURE**

~~The Town Manager is also proposing to add language to the Personnel By law that provides flexibility to the Town Manager when considering certain licensure and/or certifications for non-union members. A classic example would be the ability to waive the driver's license requirement for personnel that would not ordinarily need a driver's license for employment purposes.~~

Proposed Personnel By Law by amendment:

**SECTION 28**

**LICENSURE**

~~The Town Manager may waive any licensure/certification or any other requirement found within a job description as he/she deems necessary and appropriate for the continuity of operations.~~

Thank you for your consideration.

## Special Town Meeting

### ARTICLE 8:

**ARTICLE 8:** To see if the Town will vote pursuant to the provisions of G.L. c.44, §53E½, as most recently amended, to amend the General Bylaws by inserting a new bylaw establishing and authorizing various revolving funds for use by certain town departments, boards, committees, agencies or officers, specifying the departmental receipts to be credited to each fund, the departmental purposes or programs for which each fund may be expended, and the entity authorized to expend each fund, as on file with the Town Clerk or take any other action relative thereto.

#### BOARD OF SELECTMEN

**RECOMMENDATION: Approval (Unanimous, 10-0-0).** The Advisory & Finance Committee recommends Town Meeting approve Article 8. Approval of this article will amend the General Bylaws by adding Chapter 143 - Departmental Revolving Funds. This bylaw will authorize the town's revolving funds for FY2019 and beyond. G.L. Chapter 44 Section 53E½ was recently updated by the Municipal Modernization Act which requires that Revolving Funds be established by bylaw instead of an annual legislative body vote. Annual spending caps will still be voted at Town Meeting. Annual Town Meeting Article 3 is taking care of Revolving Funds for FY2018, as this amendment to our General Bylaws needs to go to through state approval.

#### UPDATE:

There is a minor revision to this article. The words "including lease proceeds" have been stricken from Column C of the Revolving Fund Table within the Bylaw for the last revolving fund listed, 1820 Court House Maintenance Revolving Fund. It has been determined that leasing is not in the plan for the Court House or lawn at this time. This will help clarify the planned uses for when we apply for a bond. Revised bylaw is provided on the following pages.

The Advisory & Finance Committee heard this change this morning and voted:

in support  in opposition

of the revision to the revolving fund table in the bylaw.

Original recommendation above stands.
