PHONE (508) 830-4162 EXTENSIONS 12101

---

## CONSTRUCTION BEGINS ON FOUR ROADWAYS

**FOR IMMEDIATE RELEASE: 9/9/2024**

The Town of Plymouth's Department of Public Works (DPW) seeks to notify residents and visitors that beginning Monday, September 9, 2024, paving contractor, **TL Edwards** will begin roadway construction of the following roadways: **Kennedy Parkway, Eisenhower Way, Hoover Street, and Truman Avenue.**

Barring inclement weather and unforeseen circumstances, work is expected to take place Monday through Friday, between the hours of 7:00 a.m. and 5:00 p.m. We ask there be *NO PARKING* along or on the street, during these times.

During the scheduled work, the DPW and the contractor will make every effort to keep traffic flowing in both directions, but detours and isolated delays may be required. In such instances, the DPW will work with the contractor and the Plymouth Police Department's detail officers on the placement of barrels and detour signage and message boards to keep traffic flowing as smoothly as possible. The public is advised to drive with caution and plan for traffic delays and temporary access restrictions.

The Town appreciates the community's patience during this important roadway improvement project. General questions about the roadway construction may be directed to the DPW's Highway Division at (508) 830-4162 ext. 12101 during the DPW Office's normal business hours from 7:00 a.m. to 3:30 p.m.
