MANOMET WATER MAIN PROJECT – TRENCH WIDTH PAVING BEGINS

FOR IMMEDIATE RELEASE: 10/22/2024

PLYMOUTH, MA – The Town of Plymouth's Department of Public Works (DPW) seeks to notify residents and visitors that beginning Wednesday, October 23rd, the Town's contractor, KJS, will begin paving trenches on the following roadways: White Horse Road, Robbins Hill Road, Priscilla Beach Road, and Manomet Point Road (from State Road to Taylor Avenue). This work is being done in conjunction with the water main replacement project.

Barring inclement weather and unforeseen circumstances, work is expected to take place Monday through Friday, between the hours of 7am and 5pm.

During scheduled work, the DPW and contractor will make every effort to maintain one lane of traffic, but detours may be required. There will be signage and detailed police officers to direct traffic. The public is advised to drive with caution and plan for traffic delays and temporary access restrictions.

The Town appreciates the community's patience and support during this important project. Questions may be directed to the Town's Department of Public Works Water Division Monday through Friday during normal business hours from 7:30am to 3:30pm at (508) - 830 - 4162, ext. 12141.
