PLYMOUTH, MA – *The Town of Plymouth's Department of Public Works (DPW) will accept residential tree debris behind the Wastewater Treatment Facility at 131 Camelot Drive from 8 am to 2 pm on Saturday, October 25th and Sunday, October 26th.*

This service is offered at no cost to Plymouth residents; however, proof of residency will be required prior to disposal. Please note that only vegetative residential debris—e.g., brush, trees, stumps, branches, and limbs —will be accepted at this debris management site, following the criteria and operating conditions required by the Massachusetts Department of Environmental Protection (MassDEP).
