## **WATER SERVICE INTERRUPTION ON FEDERAL FURNACE ROAD**

**FOR IMMEDIATE RELEASE: 11/4/2025**

**PLYMOUTH, MA** – Plymouth’s Department of Public Works (DPW) is currently addressing an issue on Federal Furnace Road that requires the shutdown of the main water line. The affected area includes Federal Furnace Road between West Ridge Trail and Wyndemere Court, as well as several nearby side streets.

Water service in this area will be shut off to allow for necessary repairs. The repair process is expected to take an estimated 2–3 hours.

We appreciate the community’s patience and understanding as crews work to complete the repair as quickly and safely as possible.

For updates, please visit the Town of Plymouth website or official social media channels.
