## **WATER SERVICE RESTORED – STATE RD / ROCKY HILL RD**

**FOR IMMEDIATE RELEASE: 1/13/2026**

**PLYMOUTH, MA** – Water service has been restored following yesterday's water main break on Rocky Hill Road at the intersection with State Road / Warren Avenue. All affected properties have water, and all hydrants are back in service.

The Department of Public Works (DPW) Water Division thanks affected residents for their patience during repairs.

*Those affected are advised to run their water for about one minute before use to help clear any potential discoloration.*

Residents with questions or concerns may contact the Water Division at (508) 322-3406.
